

CEdMA

We have a date fellow CEdMA and aspiring CEdMA members! Save **Tuesday and Wednesday, 5/23-24/17**, on your calendars. The conference will be hosted at the Hilton Santa Clara 4949 Great America Parkway in Santa Clara, California.

The theme for the Spring conference is Innovation. What “aha”, “light bulb”, epiphanies have you or your team discovered that you want to share as a case study or discuss as part of a Panel Discussion?

We are calling on speakers who have not presented before. We want to hear your voice, your story, the business challenges you’ve faced and how you’ve overcome them. We want to learn from you! No more sitting on the side lines – this is a chance to showcase your accomplishments.

And remember, approved presenters receive discounts from the conference fees.

If you’re interested, please reach out today, westconferences@cedma.org and let’s get rolling!
