

Preparing and Certifying Instructors

Christine Souza

Sr. Director, AppDynamics

Agenda

Quick Poll: Who is doing What?

Discussion: What do you look for in an authorized trainer/partner?

Advice: T3 courses

Questions

Topic

Certifying Instructors: What would a light weight train the trainer look like? Recommended T3 formal classes? Attend as a student? Video record presentation and submit with CV supporting training knowledge? Pass product certification level?

Poll

How many of you require in person presentations/teaches to authorize a trainer?

How many of you use Skype to authorize a trainer?

How many of you accept recorded presentations to authorize a trainer?

Discussion

What are your requirements for bringing on an ATP company?

Do you work with the partner organization to find ATP's?

What are the individual instructor authorization/certification requirements?

Advice

Recommended T3 programs/classes?
